

A Distinctive Event Space in the Heart of West Chelsea

A unique collective of eight gallery spaces and an onsite café under one roof redefining how exhibitions and events are experienced. With architecture as evocative as the art it displays, the free-flowing design sits directly below the High Line and creates a refreshing departure from traditional event venues.

Bespoke Events

High Line Nine's galleries allow for bespoke event curation, whether for an evening of cocktails, a board dinner, or a branded full takeover.

Engage a cultural partner for a live performance, or enhance your guest experience by adding a gallery curator's tour. Individual gallery rentals and full-space buyouts are available.
